

# Jodi Brunner

Master of Feng Shui

presents

## Luo Pan Mastery (1 day)

To master Feng Shui, first we must understand the use of the Luo Pan.

Share the secrets of:

- How a Luo Pan is constructed
- and why it is constructed this way.
- Different types of Luo Pan
- Using the 24 Mountains ring
- Make your own Luo Pan
- Case studies
- Practical work

All materials supplied.

## Practitioner Training (1 day)

Putting together your skills as a practitioner, this module includes practical application of your Feng Shui consultancy:

- Feng Shui reports
- Dealing with clients
- Dealing with professionals in the building, architecture & design fields
- Case studies
- Site inspections
- Practitioner tools
- Marketing and selling your business.

## Annual Stars Class (2 days)

What makes Feng Shui so fascinating is how it changes in time.

- How the annual influences affect the stars
- Monthly and daily stars
- Building on our knowledge of the Annual Stars we will discuss how they interact with existing stars in a building, what cures are effective and what to look out for.
- Conducting Annual Stars consultations.
- Annual Stars reports.
